6:30pm- Grade 2's and Grade 1's to go home (10 min break)

7:30pm- FINISH- all remaining students to be picked up.

Chaperones

We will still require chaperones to look after the children on Tech day. The children will be allowed to watch the tech run and will only have access to the auditorium and canteen. We will only need a few chaperones to keep an eye on the children in these areas.

- Royal Opera House-/Sadlers Wells: 2 Chaperones per group (with the exception of Primary Ballet who will need 3)
- West End: One chaperone per group
- Broadway: Won't require a chaperone for the tech rehearsal.

What to bring.

There will be no use of costumes at the Tech rehearsal this year so all children must come in their normal dance uniform. They will need to bring all of their dance shoes that they will be wearing throughout the show. Long hair must be tied back in a bun, ponytail or plait.

Children will not be allowed to eat in the auditorium but they will be allowed to use the canteen if they need to have a snack during the rehearsal. Please pack your child with some food and drink, some students will be there for a long time. They may bring water only into the auditorium, other drinks will have to be consumed in the canteen.

This is just a reminder that we do have children with food allergies in the show this year, this includes nuts. Please **DO NOT** bring any nut products onto the premises.

Running Order

The running order for the tech has been changed to accommodate our younger students to allow them to go home earlier. We will not be running in the same order as the show.

Parking and arrival

Please do not arrive before your specified time slot. Parking can be found at the Raynham Road entrance to the school or there is a car park on Somerset place which is a pay to stay car park.

You will need to follow the signs put out by our team which will direct you to the stage door. (Sports hall entrance). We have been asked to refrain from parking on the road, specifically on Somerset Place.
