Stars of tomorrow

We have exciting news about the Stars
of tomorrow, the event which was
postponed at Torquay's Princess
Theatre. It is now taking place on Sat
20th June. We are set to take part and
will be using one or two dances from
our show. More info on this will be
coming your way soon.

There are still outstanding fees from the Spring term. I am aware that
many of my emails end up in your junk folders. Please check
periodically especially at the start of term.

Spotlight Award Winners

Congratulations to all our students who won a spotlight awards this term. Your hard work every week makes us really proud.

Congratulations to all those students in Gegory Hines House for winning our house points competition this term. Everyone should have now recieved their prize. House points will return Spring 2027.

Uniform

Saddly the company we have been using for the last 15 years to supply our Tap and Modern uniforms has stopped trading. I will therefore be changing our Tap and Modern uniform ready for September. Anyone who needs new uniform between now and then will either have to wait or purchase 2nd hand. We will no longer be accepting 2nd hand unitards after May half term.

Our first official week back, following the show will be dress like a pirate week to raise money and awareness for Ocular Melanoma. Sadly one our adult dancers Natalie was diagnosed with it last year and underwent radiotherapy treatment. Her and her sister Emma will be doing a the Camino to Santiago walk in October to raise money for the charity.

Bring a friend along and get those eye patches ready £1 per person to take part.
