

Dance Fusion Covid-19 Rules and Regulations Autumn 2021

1. We will be operating from three venues this term- Brixton, Newton Ferrers and Holbeton
2. If your child or a member of your family is experiencing symptoms of Coronavirus, please do not send them. More information can be found on the NHS website.
<https://www.nhs.uk/conditions/coronavirus-covid-19/>
3. I encourage anyone entering the building to continue to use Hand Sanitiser upon entry and exit from the building.
4. There will no longer be a 15 minute gap between classes, however I strongly encourage social distancing from the other class between change over.
5. Masks may still be worn when entering and exiting the building if you or anyone over 11 feels more comfortable. This is still recommended if you are in a close indoor setting where social distancing may be difficult. I will continue to wear a mask to see children in and out from the building.
6. Parents may enter the building if absolutely necessary but please limit coming in before and after a lesson.
7. To make class change overs run more smoothly please follow protocol for each venue below.
 - Brixton- Queuing outside: those picking up to wait along the railings to the right of the back entrance, those dropping off, to wait along the wall to the left of the back entrance. I will still bring the children out to you if they are very young. Those with pre-school age children will be allowed to wait lobby of the community room, with the door open.
 - Newton Ferrers: Queuing outside: those picking up please wait to the right of the door, those dropping off please wait to the left of the door. I believe the kitchen is now accessible for those wishing to wait inside during Baby Ballet and Pre-Primary Ballet. You do this however at your own risk and you will not be able to wait in the main hall once the lesson has started.
 - Holbeton: there is plenty of space outside the hall to distance yourselves while waiting to pick up or drop off. Those waiting to start class may wait in the lobby or so long as you distance yourself from the previous class you can wait in the main hall.
8. For those attending Acro if they have their own personal equipment e.g matts or blocks that they can bring with them this is recommended. I will have four matts available for use and the two classes will now be merged. Matts will still be cleaned at the end of each lesson and the children are very welcome to clean their own matts also if they were shared with someone else.
9. There will no longer be 2m boxes to dance in and classes no longer need to bubble so children can now take multiple classes if they wish.
10. I will continue to do a lateral flow test twice a week.
11. Touch points will still be cleaned between classes however the floor will only be cleaned at the start and end of the evening.
